# Welcome to IRED Conferences in Zurich, Switzerland

Dear Distinguish Delegates,

It is great pleasure to welcome you to Joint international Conference on

**Track 1: Advances in Bio-Informatics, Bio-Technology and Environmental Engineering - ABBE**

**Track 2: Advances in Computing, Communication and Information Technology - CCIT**

**Track 3: Advances in Civil, Structural and Mechanical Engineering - CSM**

**Track 4: Advances in Social Science, Economics and Management Study – SEM**

We are confident that you will get the theoretical grounding, practical knowledge and personal contacts that will help you build long-term, resourceful and sustainable communication amongst researchers and practitioners working in a wide variety of scientific areas. The Conference will provide an opportunity for students to interact with leading personalities from academia, industry and research agencies at the venue. We hope that you will find this program interesting and thought-provoking and the conference will provide you with a valuable opportunity to share ideas with other researchers, students, developers, and practitioners from institutions around the world.

After more than one year's preparation, we finally will have those conferences to be held at Switzerland. The conference is being organized in Zurich Switzerland during September 02-03, 2017 by Institute of Research Engineers and Doctors (IRED), USA.

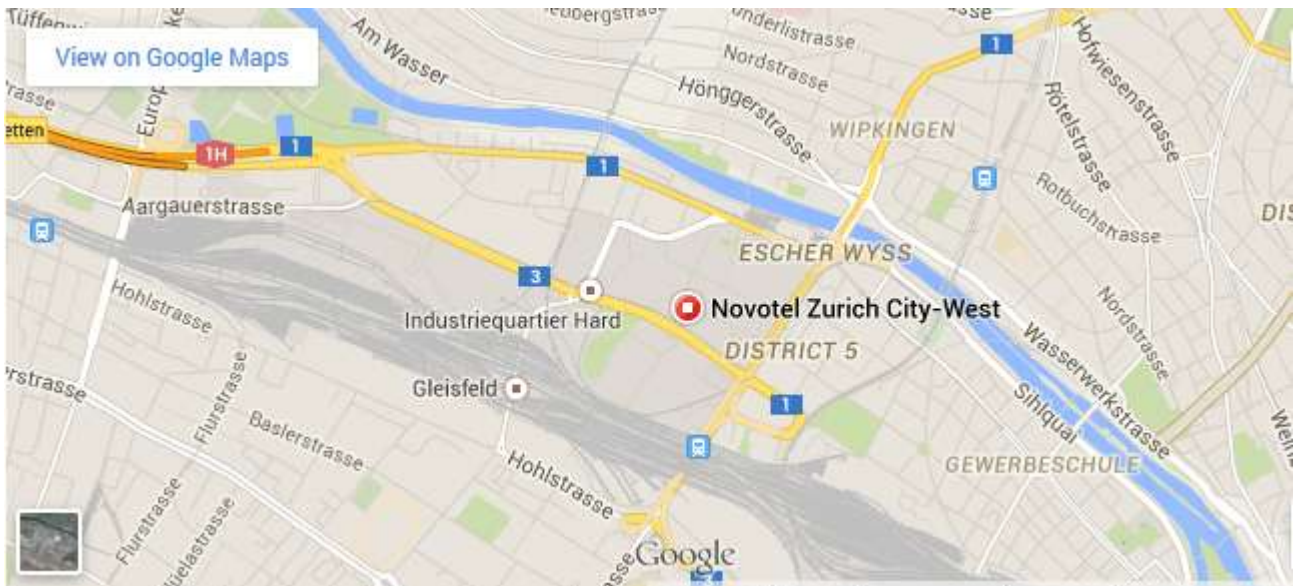

For the Conference of CCIT'17, CSM'17, ABBE'17 and SEM'17, Researchers participated from 40 countries including ALGERIA, ARMENIA, AZERBAIJAN, BANGLADESH, BRAZIL, BULGARIA, CROATIA, CYPRUS, CZECH REPUBLIC, FRANCE, GREECE, HUNGARY, INDIA, INDONESIA, IRAN, IRELAND, ITALY, ISRAEL JAPAN, LATVIA, LEBANON, MALAYSIA, MEXICO, NIGERIA, POLAND, REPUBLIC OF KOREA, ROMANIA, RUSSIA, SAUDI ARABIA, SINGAPORE, SOUTH AFRICA, SPAIN, SRI LANKA, SUDAN, SWEDEN, TAIWAN, TURKEY, UGANDA, UKRAINE, UNITED KINGDOM. The program committee had gone through a rigorous process of review in order to select research articles for presentation in the

conference and for publication in SEEK Digital Library. The researchers from 40 countries are going to present the papers in this event.

On behalf of IRED, we would like to thank all the authors as well as program committee members and reviewers. Their high competence, enthusiasm, time and expertise knowledge, enabled us to prepare high quality final program and helped us to make the conference become a successful one to produce new ideas in the upcoming research areas.

- PowerPoint files

### **Duration of Each Presentation:**

- Regular Oral Session: Approx. 10 Minutes of Presentation including Q&A.
- Expert Speech: 30 Minutes of Presentation including Q&A.

### **About Dress Code**

- All participants are required to dress formally, casual wear is unacceptable.
- National formal dress is acceptable

### **Announcements:**

- One best presentation will be selected from each conference; the best one will be announced at the end of the day (03<sup>rd</sup> September, 2017).
- International Journal Publication information will be sent separately via email on or before 26 November, 2017.
- Certificates can be collected from the registration desk.

## Welcome Speech

**MS. ARIANNA ,EVENT SECRETARY,INSTITUTE OF RESEARCH ENGINEERS AND DOCTORS, USA**

## **SESSION CHAIR AND EXPERT SPEECH A**

**TOPIC: - "RECONSTRUCTION AND MODELING OF CONTOURS AND FUNCTIONS"**

**PROF. DARIUSZ JAKÓBCZAK, KOSZALIN UNIVERSITY OF TECHNOLOGY, POLAND**

## **SESSION CHAIR AND EXPERT SPEECH B**

**TOPIC: - "EFFICIENCY AND VECTORIAL OPTIMIZATION"**

**PROF. DR.VASILE POSTOLICA, UNIVERSITY OF BACAU, ROMANIA**

## **SESSION CHAIR AND EXPERT SPEECH C**

**TOPIC: - "ENVIRONMENTAL AND AGRONOMIC PRACTICES FOR OPTIMIZED PRODUCTION AND SECONDARY METABOLITE PROFILE IN PLANTS"**

**PROF. NIRIT BERNSTEIN, INSTITUTE OF SOIL, WATER AND ENVIRONMENT SCIENCE, ISRAEL**

## **SESSION CHAIR AND EXPERT SPEECH D**

**TOPIC: - "EFFECT OF NOBLE METALS ON THE PROPERTIES OF NANOCOMPOSITES BASED ON SILICON STRUCTURES AND TITANIUM DIOXIDE, SYNTHESIZED FOR SOLAR COLLECTORS"**

**PROF. ING. STEFAN KARTUNOV, TECHNISCHE UNIVERSITAT-GABROVO, BULGARIA**

## CONFERENCE GUIDELINES

- We Expect all the delegates will help us to organize the conference by following given guidelines.
- The conference will be held at Switzerland.
- The registration will be from 12:00 pm to 04:00 pm on 02 September, 2017. Do remember your Paper ID for any Communication at the Information Disk.
- Authors are encouraged to spend 70% of the time to present the original innovative ideas, proposed in the paper.
- Full paper presentation will be of about 10 min presentation including Q&A; Authors are advised to prepare their presentation accordingly and strictly follow the time limits.
- The Hall will be equipped with Laptops and LCD projectors (Beamer) with Windows 7, Office 2007, and Adobe Acrobat reader. You may copy the presentation slides at the conference hall at the time of presentation or during the coffee / lunch breaks intervals.
- Presentation time, Date, and Venue is fixed and it is already published in the program schedule. Once your chance of presentation is lost, we will not be able to accommodate you in the next or any other sessions. So authors are advised to be on time at the venue for the presentation.
- Lunch, Morning and Evening coffee for the presentation day alone will be arranged at the venue.
- Accommodation, Travel, Tour, Pickup, Dinner and other expenses have to be borne by the delegates.
- The high resolution photos (not later than September 25, 2017) will be sent via email.
- Few best papers are likely to be selected from all the papers presented and will be honored at the closing ceremony.
- A certificate of presentation is distributed / issued at end of the day. Certificates of Authors will be issued to authors who have not presented but their papers are registered. Certificate of participation for attendees is distributed at the time of closing ceremony.
- Due to earthquake or any other mis-happening at the conference venue / conference city, the conference may be rescheduled but not in the same month.
- There is no separate conference Attendance Certificate.
- If there is any correction in the certificate, new certificate will be sent to the communication address.
- All the authors are encouraged to present the papers. If the registered author is not able to make they can nominate any co-author or researchers who have got good knowledge in the paper and subject. Nominee Authorization Letter from the registered author and Photo id card of the nominee shall be verified at the information desk at the time of registration.
- Visit the Conference Byelaw for more details on which all the conference decision will be.

## ABOUT IRED

IRED stands for Institute of Research Engineers and Doctors. IRED headquarter is situated in USA and Cyprus with Registration Number **5372545**. IRED organize world class international conferences around the globe in order to provide the platform for sharing the new ideas on upcoming multidisciplinary research areas and to promote the research among the students, researchers, professors and scientists over the globe. IRED and its associated networks websites are being accessed by more than 1 million visitors yearly. IRED is promoting research with more than 75000 student members, more than 55000 associated members and more than 5000 senior and fellow members. IRED Editorial Board consists of more than 5000 Eminent Professors, Scientists and industry professionals in order to published only high quality articles. Each article is being peer reviewed two times before publication in any Conference/Journal. IRED Conference Proceedings is being archived in SEEK Digital Library, where you will be able to see the statistics of any article (abstract views, paper downloaded etc). Each paper published in IRED Conference Proceedings is being provided Digital Object Identifies (DOI) from CROSSREF. The Proceedings is being indexed by Google Scholar and also gets submit to major Indexing service providers like ISI Thomson for further review and indexing.

## À PROPOS IRED

IRED signifie Institut des ingénieurs et des médecins de recherche. IRED siège social est situé aux Etats-Unis et à Chypre avec le numéro d'enregistrement 5372545. IRED organiser classe mondiale conférences internationales à travers le monde afin de fournir la plate-forme pour partager les nouvelles idées sur les domaines de recherche multidisciplinaires à venir et à promouvoir la recherche parmi les étudiants, des chercheurs, des professeurs et des scientifiques dans le monde entier. IRED et ses sites de réseaux associés sont accessibles par plus de 1 million de visiteurs chaque année. IRED encourage la recherche avec plus de 75 000 membres étudiants, plus de 55 000 membres associés et plus de 5000 membres supérieurs et collègues. IRED comité de rédaction se compose de plus de 5000 éminents professeurs, chercheurs et professionnels de l'industrie afin de publié des articles que de haute qualité. Chaque article est évalué par les pairs à deux reprises avant la publication dans une conférence / Journal. IRED Actes de la conférence est en cours de archivées dans SEEK bibliothèque numérique, où vous serez en mesure de voir les statistiques de n'importe quel article ( vues abstraites , papier téléchargé , etc.) Chaque article publié dans IRED Actes de la conférence est disponible Identifie de DOI (Digital Object ) de CrossRef. Les délibérations sont en cours d'indexation par Google Scholar et obtient également soumettre aux principaux fournisseurs de services d'indexation comme ISI Thomson pour un examen plus approfondi et d'indexation.
